**REGISTER NOW!** Your Professional Print Production Certification Self-study Program Kit will be processed and shipped upon receipt of payment. Registration includes:

- **Professional Print Production Certification Self-study Program:** your complete kit includes a printed study guide, learning resources and pass/fail open book test
- **Full-day, supplemental educational seminar** from a dynamic speaker
- **Networking session** with your peers in our open-forum "Print Buyer Think Tank"

**Event Cancellation Policy:** We reserve the right to cancel the seminar portion of this program in the event of insufficient registration. However, the Professional Print Production Certification self-study Program materials are still valid and paid participants will have the ability to complete the certification on a self-study basis.

**NOTE:** The subject matter included in this seminar is complementary to our Professional Print Production Certification Self-study program. If you are unable to attend the seminar, please note that all test questions are derived from our self-study materials and not this seminar.
