An Economical Way to Package Your Products for Distribution

Concord Litho now has shrinkwrapping manufacturing capabilities. Shrinkwrapping is a fast, easy and economical way to package your printed products for distribution and reduce turnaround time.

- Package booklets, envelopes, and other products.
- Streamline your fulfillment process/drop shipment preparation.
- Explore direct-to-consumer packaging options.

We can provide wrapping of various thickness to provide as much protection as you need. Typical applications use clear wrap with a thickness ranging from 50 to 100 gauge. For more information, contact your sales representative or email info@concordlitho.com.
